ADDITION OF CODES

Effective with dates of service on or after March 1, 2016, the MO HealthNet Division (MHD) is adding family psychotherapy, group psychotherapy, and psychotherapy for crisis to the Behavioral Health IEP School-Based Service Program for public schools. The procedure codes added for these services are identified in [Attachment A](#) and may be provided by a Psychiatrist, Psychiatric Clinical Nurse Specialist (PCNS), Psychiatric Mental Health Nurse Practitioner (PMHNP), Psychologist, Provisionally Licensed Psychologist (PLP), Licensed Clinical Social Worker (LCSW), Licensed Master Social Worker (LMSW), Licensed Professional Counselor (LPC), or Provisionally Licensed Professional Counselor (PLPC). Only the services identified in the IEP, and up to the amount and duration identified in the IEP, will be considered reimbursable. Services are subject to current requirements (i.e. precertification) of the MHD Behavioral Health Program and are not reimbursed beyond the existing program limitations. All other Behavioral Health School-Based Services remain the same and are indicated in Section 13.12 provider manual at http://manuals.momed.com/collections/collection_psy/print.pdf.

Provider Bulletins are available on the MO HealthNet Division (MHD) (Formerly the Division of Medical Services) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.
